“ *In memory of Sylvia ♡
Our families came together in 2018. In just this short while of knowing her, I could sense the love and devotion she had for her family. We are blessed to have been a part of her journey on earth. As Sylvia leaves all of her worldly possessions behind, she now remains in the hearts of everyone she cared about. It is with sadness and heartache that I will not be able to hear her voice again. I know I will see her in the eyes and smiles of your children and grandchildren. So it's not goodbye rather- it is until we meet again. Prayers for all.
