“ To Sylvia's Family,

Everyone here at King Realtors, where Sylvia worked, extend our deepest sympathies to you at this difficult time. Even though it has been awhile since I had seen Sylvia I had spoken with her on the phone. She was a positive person who was always willing to help and we will miss her laughter.

*Sincerely,
Trey King*

Thank you so much for your condolences, Mr. King. Our family is going through a very tumultuous time right now. We didn't just lose our loving sister, Sylvia, but also our Mother, Ramona G. Vega, just 9 days before Sylvia passed away. As a matter of fact, Sylvia passed away while our family was attending our Mom's funeral at Porter Loring on Aug. 16. And, this past Nov. 16, 2020, we lost our oldest sister, Lydia Sifuentes. It's been pretty hard!

Sylvia was a very strong, independent-minded woman, with a long career in Sales. She was a professional who always took charge. Thank you again, sir, for your kind words.

*Sylvia was a friend and we sat together at Women's Club meetings. We would enjoy a class of wine and discuss world events. Always a fun person we enjoyed our times together. We are all saddened by her sudden passing. Our prayers are with her family and friends .

To some extent I admired Sylvia for always wanting to express her feelings freely. We became friends through the Fine Arts Round Table within the Woman's Club. For any Woman's Club events she was always so nicely attired, completing her outfits with a hat. She was a good person, a caring heart and I will miss her. Rest in peace my friend.
