“ My mom, Bertha McCarthy, looked forward to playing Bunco with Tacoma every month for almost 50 years. When I met Tacoma, I was in the 8th grade and I couldn't wait until I was old enough to play with them because it sounded like they were having such fun whenever mom hosted it at our house. I was asked to join the Bunco Gang about 10 years ago and it has certainly been just as much fun as I imagined all those years ago. Tacoma will certainly be missed and loved but I bet she's busy rolling sixes already! We extend our sympathy and condolences to the entire Bilotta family.

“ All my thoughts and prayers are with each of the Bilotta family members. The fun shared with Tacoma and the Bunco Ladies has always been a special memory for me. My mother called her Tulsa after the first time after Mom joined the group - she knew her name was a city but didn't quite remember which one. JaLinda Novak
