“ *I will always remember how dedicated Tammy was to her job at Goodwill. It was more than a job, she truly wanted to help the individuals assigned to her. She wanted to improve their quality of life in every aspect! She has been taken too soon and we in the human flesh cannot understand it. But the Lord our God has a better plan for her and we can rejoice in that. Tammy's beautiful smile remains contagious. May our Lord bring peace and healing to her family during these difficult days!*
