 Verline Dawe

“ *Tampa was my favorite neighbor growing up. Like my sister Melissa mentioned, her door was always open and she was definatately a second mom - including when she would call my mom to inform her know I had snuck out if the house on several occasions (when the windiw screen was left off) as her kitchen window had a great view of the back of the house.*

*I can still hear her laughter which always brought a smile to my face.*

*My condolences to the family.*

ME

“ *When I think of my childhood, you all are in most of the memories. I couldn't have asked for better next door neighbors than you all.*

*Tampa always had the best laugh, the best sweets, and the prettiest roses!*

*Your side door was always open for us to scramble in and out of, and her kitchen seemed to always be open as well.*

*She was like a second mom to us and if we mis-behaved we expected her to fuss at us and then send us home to get in trouble a second time.*

*I can only smile to think of her and Mom in heaven sharing a glass of tea and catching up after all these years.*
