

## Taylor K. Green

May 15, 1990 - August 18, 2017

Taylor K. Green, 27 of San Antonio, went home to be with the Lord on August 18, 2017. She was born on May 15, 1990 in San Antonio, TX. Taylor was a beautiful, young, free-spirit with a great sense of humor. Although she had some struggles in life, she truly loved her family and friends. She had a huge heart, bigger than she sometimes let on, but we could all see it though. We could see it in her actions and the way she went above and beyond to help her friends in need, even those she didn't know very well. Four legged ones too, we couldn't count how many times she would just waltz in the door from the streets with a new dog begging to keep it. Taylor's adorable son, Benjamin was the true love of her life, and it was obvious. He brought a new kind of light to her life that surprised even her. They were a silly pair, playing games including his favorite word rhymes. They enjoyed trips to the park, pool and jump houses and taking a lot of selfies. She loved her 'stinker winker.' Taylor will forever be remembered by her precious son, Benjamin James, her mother, Deborah (Terry) Hookstra, two brothers Nathan (Quincey) Jenson, Austin (Maxine) Green, two nephews Ryan and Zander, niece, Avere, maternal grandmother Jeannette Loverdi, paternal grandmother Jean Green and many extended family and friends. Those who so desire may make memorial donations in memory of Taylor for the benefit of her son Benjamin. You may also make those donations on her "gofundme" page.

"There will never be a day that goes by that I won't think of you Baby Girl." I love you, Momma.

“ Taylor,

*I can't even put into words how much I miss you! I kept hoping it was a nightmare and I would wake from it soon! Why oh why does our lord call on the young ones! I will never understand that but I know he has a purpose for calling you home. You were the best friend to me even when we first met and I was just kinda dumped off on you. Lol you were the kindest and most caring woman I have ever met. You were an even more awesome mom to Benjamin, I could see all the love you had for him in your face and hear it in your voice when you would talk about him. Thank you for bringing me dinner when I was feeling yummy after my treatment since I was not allowed to go home, just seeing you and hearing little Benjamin tell stories and watch him play his Ds or whatever electronic game he had brightened my day more than you will ever know. I know we were not even friends for very long before we became so close but we were just meant to come into each others lives for some reason. I tried to always be there for you, I can't think of a time I didnt drop what I had going on to go to you because you needed help or just needed someone to talk to, but I admit I probably wasn't the best at convincing you to take the trash out! You know what I mean and who I mean. You were so much better than them and deserved way way better. I know it seemed like I was just being a Debbie downer and was just trying to ruin day but I wasn't I just care about you and wanted you to see your self worth and realize your worth way more than they could ever have given you. I will forever have a hole in my heart where you should be but I will always carry your memory with me! I love you to the moon. Wait for me because you know I'm gonna be lost and prob won't have my Garmin with me lol jk! Love you Tay Tay! See you later. Fly high beautiful!! 💔*

“ Taylor was one of the kindest people I ever met. The very first time I met her I was with a friend at her apartment and she kept staring at me but not saying a word, after about an hour of her stares i thought to myself wow this girl hates me and I was thinking we were going to have problems, then out of nowhere she yells out why are you so pretty? I mean you are just beautiful and im just curious why then she giggles and we were friends since. she had a few rough patches that im very thankful she called me so I could help push her through them I am so heartbroken that she is gone. I cant even imagine the pain you guys are going through during this awful time. Please let me know if there is anything at all that I can help with. God Bless you and your family. Fly high my Tay Tay!
