“ I remember going to Ted and Shirley’s wedding as a young child. It was clear how much they loved each other and the esteem they had for each other. Prayers for my sweet cousin Shirley❤️

“ Uncle Ted is dearly missed. He was a wonderful musician, a good ear, humorous, and very loving. He (along with Papa) impacted my musical world greatly. May Heaven contain a piano and a radio. ❤️

“ I was just talking to my husband about Ted. I use to babysit him and we would sing while Ted played the piano. Ted also came to live with me many, many years ago. Taught him how to make and pour his coffee and keep his room and bathroom clean. Ted was a handful and I so loved being around him. Ted will be missed by many. RIP in Ted Lacey and sing away in Hillbilly Heaven.

“ I do think about the good times we use to have at VFW where Ted would sing and play. You Shirley helped him and carried all his instruments in. He could sing and we all loved to dance. Prayers for you Shirley and the whole family!

“ Hello. I am part of the LeLaurin family and a cousin to Ted. I saw his obituary in the newspaper this morning, and want to let Barbara know that I remember hearing Ted play music at a family gathering. My parents were Louis and Evelyn LeLaurin. I called Louis and Mary, my brother and sister to tell them about Ted's death. My husband was Col. Herman H. James, Jr. He died in 2018.

The family often wondered how Ted was and how to find out. May our Father God receive his soul in Heaven with love.

*Sincerely,
Nana Janet James*
