“ *Teresa spent time with our family often. She was very much a part of the family, trailing around with all of the grandkids and cousins in the summer. She always had a beautiful smile and was very respectful. She was a very kind person and always a joy to be around.*

“ Our deepest condolences to Priscilla, Fred and the family. Teresa had a beautiful smile and a humble spirit. She was so respectful and loved her sisters and nieces and nephews very much. Above all, you could tell how much she adored her Mom. I know she will be missed dearly. You are in our thoughts and prayers. Love the Henry Family
