*I sent a memory last week but I don't see it here, so I am sending another. I want to offer all my sympathy, empathy and condolences to all the family and especially my friend's children. "Tere" and I started elementary school together and became friends all through the years. To her children: Your pain is huge and you will have her memories and love forever. "Tere" and I used to pray for our children together every night I will continue praying for her family as long as I am here. I am so sorry that I could not attend the services but my mother in law passed away on 14 August. God bless all of you. Irene Camarillo Vidal*
