

Teresa Guadalupe Fivel

November 30, 1940 - January 12, 2024

Teresa Guadalupe Fivel, born November 30, 1940, known as Terry by all her family and friends, went to be with our Lord on January 12, 2024.

Terry is survived by her sisters; Ernestine “Jean” Castillo, Annette Anderson, Josephine “Josie” Fivel, Lola Oviedo (Gilbert), her 4 children Linda A. Sanchez (Joe), Cynthia M. Ovalle (Gabriel), Jesse D. Aguillon Jr., Rachel D.

Cunningham (Lewis), 15 grandchildren, 33 great grandchildren, and 4 great-great grandchildren.

She was preceded in death by her son, Ernest J. Aguillon Sr., grandson Ernest J. Aguillon Jr., father Ernest John Fivel, mother Elvira Narezo, and sisters Mary Fivel Garcia and Lillian Fivel Castro.

From an early age Terry would open her heart to many people she wanted to help in one way or another. The simple act of splitting a hamburger and a coke would start a friendship with her dearest and closest friend, Irma Ramirez (Robert). A friendship that would span seven decades.

Terry would share with many people. She shared her home to many that needed a roof over their head. She shared her dining room table with anyone that needed a meal or just wanted to sit and talk. She shared her love of music, food, and dancing with her children and grandchildren on many different occasions. She shared without hesitation and without ever asking for anything in return. Up until the day she took her final breath, Terry cared more about others than she did herself.

Terry married in April of 1960. She would go on to be the mother of five

children: Linda, Cindy, Ernest, Jesse, and Rachel. Terry worked in retail for many years, retiring from KMART in 1998. She would then go on to work with other retailers but found her passion at Christian Hope Resource Center where she could continue to help those families in need. Terry worked until her medical ailments would make it hard for her to get around. Through constant pain she would continue to give help anyway she could.

On Friday, January 5, 2024, Terry was diagnosed with Acute Leukemia. She was placed on hospice that following Monday. She spent her last days with her family at home surrounded by love and prayer. Terry closed her eyes, drifted off to sleep, and awoke in the arms of Jesus Christ.

She will be forever loved, honored, and remembered as our Mom, our Grandmother, and our Angel.

Visitation will be held Sunday, January 21, 2024 at Brookehill Funeral Home from 4pm to 5pm for family only and 5pm to 8pm for the public. Prayer Service will begin at 6pm on January 21.

Funeral service will be held Monday, January 22, 2024 at Brookehill Funeral Home at 10am, followed by interment at San Fernando Cemetery II.

“ My dear grandmother Teresa, I thank God and the Virgin of Gualupe for having had the fortune of knowing you... You made me feel like family from the first moment we met, I will never forget the days where we laughed together and when we ate traditional Venezuelan food "arepa ". Thank you for receiving and loving my son as if he were your grandson, I will be eternally grateful for that. I will always remember you and carry you with me in my heart and pray for you every day. God will give us the opportunity to see each other again. I love you forever.

“ I never forgot the first time I met Grandma Teresa, she made me feel at home... having been away from my family, she embraced me as if I were her grandson and I know that she loved me very much just as I will always love her! Her advice always encouraged me to move forward... Grandma welcomed my mother like she were a daughter to her and made her feel at home! My mother and I are eternally grateful to God for having had the opportunity to meet a wonderful person, such as Grandma Teresa, and that at some point we will all meet again in heaven. We will love her infinitely and even if her physical body is not there, she will always be with us and in our hearts, caring for and protecting us from heaven.

“ Teresa(mom) lived with me and her and I had many talks about lots of things. She loved her family and friends deeply. We had our ups and downs but I would have never changed anything with her living with me I learned a lot about her that o didn't know. She was a very compassionate person that wanted to help everyone she could. I am going to miss our talks and our little visit even if we were in the same house. Rest in heaven and dance and run without any pain. Give Neto, Neto Jr, grandma and all the rest of the family a kiss and hug from me. We will be together again one day. I will miss you forever save me a seat next to you and Neto. Love you to the moon and back.
