“ How time flies. I've known Terri for almost 30 years. She offered her hospitality anytime Rick (Del's brother) and I came to San Antonio to visit the family. I understood her Betty Boop obsession just like she understood my Harley-Davidson obsession.

Terri loved her family and friends, especially Del. Like Rick and I, Terri and Del never had a wedding, but they did have a marriage. They took care of each other, every day of their relationship, in sickness and in health, for richer or for poorer.

We will all miss you!

Liz
