Terry R. Million

December 1, 1945 – February 13, 2017

Cheddar's lost a loyal customer on February 13, 2017. Terry R. Million, born in Hammond, Indiana on December 1, 1945, went to be with the Lord on February 13, 2017 at the age of 71. Terry loved telling stories and listening to classical music. He wasn't big on natural remedies but did rely on a few, his favorite being, if you can't pee, drink a Shiner Bock. He died as a result of being stubborn, and refusing to follow doctors' orders. The heart attack will leave Spurs fans everywhere with a void in historical commentary. Beloved husband of 40 years, Terry was a Vietnam vet who served in the US Army for 22 years. He is preceded in death by his beloved wife CarolSue Million, and parents Rex and Madelyn Million. Survivors include his children Theresa Million and Timothy Million, 6 grandchildren and 10 great grandchildren.

Services to be held at 3PM at Mission Park South this Saturday, February 18, 2017. Viewing begins 2PM. Interment will follow at Mission Burial Park South. In lieu of flowers, go to Spur's/Pacer's game.

For personal acknowledgement, you may sign the online guestbook at www.missionparks.com in the obituary section.
