“ I am sending my deepest condolences to Terry's family. I love and miss her so much! I met Terry in the 3rd Grade at Cypress Elementary in Highland. Our Dad's were both in the Air Force. I spent many a day at her house after school and on weekends. Terry's Dad took us to different places like Lion Country Safari and Bush Gardens. After awhile Terry's Dad got stationed to another place but we always kept in contact either by mail or phone calls for many many years. Throughout our adult years Terry came out and visited me. We had some much fun seeing all the sights. I even visited San Antonio. Terry and her Dad showed me all around. Terry was always the sister I never had. We were both only children. Girl I wish you were still here. I will always remember our last conversation on the phone a few weeks ago. I know you are in a better place with your Mom and Dad and that is what gives me comfort.

Terry...you brightened my life with your smile. This is really hitting me hard. I love you and will see again some sweet day when all the pain of cancer is passed... Save me a spot at mom's table. We will have a happy homecoming then..

My darling cousin. Oh how dearly you will be missed here on earth. I already miss our long conversations that we would have just talking about everything. Your laughter I still hear. My tears I still cry. I am forever grateful you and Uncle John where able to come up and spend the week with us. I love you❤️ Terry❤️
