“ I miss you Aunt Thelma. It is a joy and gift from gift to have a wonderful relationship and such beautiful memories of a remarkable, exceptional and amazing woman.
You told me you were ready to go to Heaven but you always finished that statement with...God has his plans for the day.
On December 30th, to show his special love for you, I believe Our Heavenly Father chose the day....your Wedding Anniversary to Uncle Odell.
"Well done good and faithful servant...enter into the joy of your Lord"
What an Anniversary reunion with Uncle Odell! What a Celebration in Heaven!
Love You! Sandy

“ My name is Debra (Donahoe) Lehman, the niece of Thelma Donahoe.

I have such sweet memories of my Aunt Thelma. In October of 2015, I spent two weeks helping my Aunt and Uncle. During that visit my Uncle asked that I drive and take them on a small trip. On this trip we all were singing to John Denver's " Country Roads," my Uncles favorite song. It was a wonderful time and beautiful memory. In December of 2015, my dear Uncle passed away, leaving my Aunt alone. I couldn't bare her being by herself. I flew back to Texas and spent 2 months packing to get her ready to come home with me to live in California. She stayed 8 months and was homesick. She returned home and I suggested she have Hospice help in her care. I will always remember the time we spent together. She told me so many stories of her life and her regrets of never having children. She expressed how much she appreciated all the help I provided and told me how much she loved me. It touched my heart and I'll never forget it. I will always have sweet memories of my dear aunt and how close we got. She is now in her Heavenly home rejoicing with all our loved ones that have gone before. I'm sure my Uncle was the first one to greet her. Love you Aunt Thelma! I will truly miss you.. ❤️
