

Thelma June Reed

June 18, 1926 - September 16, 2021

Thelma June (Beard) Reed, 95, of Somerset, Texas went home to be with her Lord on September 16, 2021. She was born June 18, 1926, in Somerset, TX. She was preceded in death by her husband, John Reed, parents Lem and Grace Beard, brothers William Frank Beard and Bennie Norman Beard, sister-in-law Pauline as well as all of John's siblings and their spouses and five nephews.

She graduated Somerset High School in 1943 and then Draughon's Business School in 1944/45. She moved to San Antonio where she met John during World War II when he trained for the Army Air Corps at Lackland. They married in 1946 and lived in San Antonio until early 1977, when they built and moved to their forever home on her family's farm in Somerset. She worked for a San Antonio builder during and after the war and prior to the arrival of their children. She joined USAA in 1962 and retired in 1985.

Thelma and John loved to visit family and serve them as well as others when help was needed. They loved to travel and visited all 50 of the United States and parts of Canada. Thelma and John were very active in their church and serving the Lord with their church families as well as the charities and causes they supported.

Thelma was a great conversationalist, the family historian (given her

incredible memory) and had a wonderful (if sometimes wry) sense of humor. She thoroughly enjoyed living life with her boys, grandchildren, siblings, and other family members. She enjoyed crossword puzzles, live music, plays, movies, musicals, Ice Capades, rodeo, and Night In Old San Antonio.

She is survived by her sons: John Timothy (Terri) of Houston, TX, and Jeffrey Paul (Shirley) of Spring Branch, TX. grandchildren Lauren Prather (Scott) of Waco, TX; Kendall Reed (Stephanie) of Dale, TX; Jessica Fellows (Chase) of San Antonio, TX; and Sarah Reed of Dallas, TX, Great Grandchildren Will Prather, Claire Prather, and Wyatt Fellows, sister-in-law Anita Beard, nephew Randy Beard (Cindy), as well as many other nieces and nephews.

“ Dear Tim, Paul and Family,
Kimey and I want to express to you our sincerest condolences and encouragement during this time of adjustment with the loss of Aunt Thelma. My memories of Aunt Thelma are of an incredibly strong woman. Aunt Thelma was confident of herself and was not afraid to express herself accordingly. I remember sitting around at Grandma's or at Uncle Ben's when your family would make the long trip from San Antonio to North Georgia. I always enjoyed listening to Aunt Thelma recount stories about your family. Stories of visits from family members to San Antonio. Stories of her family, as if everyone knew them. Stories of her work at USAA. Stories of her and Uncle John's life together. As her Obituary stated, "a good story teller". That she was. I am also grateful for her life of Faith and the passing of that Faith to you all. She and Uncle John have blessed us all with the life they lived.

To our Texas Cousins and families, our family send our love and care to each of you.
