“ Sarah, your Dad will be missed. I'm so thankful to have enjoyed the many moments. He was a great horseshoe player and taught us all the correct way to play. He always brought me empty egg cartons to fill up with our backyard chicken eggs for him and others. We enjoyed Thanksgivings together and he was always so happy to be around. He made me smile. His kindness and sweet personality would fill the room. May the Lord hold him closely until we all meet again.
