“ I just found out about the passing of Tom four days ago. I had no idea. I was the pallbearer at his wife Carolyn's funeral service at the same funeral parlor and cemetery more than one year ago. I was the guy that consistently brought supplies, sundries, etc. to Tom when he was in the Texan Heart Hospital, and I picked him up and drove him home three times. I spoke to him on the phone briefly at 9:28 PM on October 20, the night before he passed. I believe that I was the last person to talk to him. When I called him back the next day around 2:00 PM there was no answer. I also called him several times that day, and several times over the past month. I can't believe that nobody contacted Douglas Henry or me to let me know that he had passed, especially as I was one of his most trusted friends and client, and had been the pallbearer at his wife's funeral during the Covid period. Can somebody in his family in the Austin area please give me a call at 415 812-5959 at any time? It is very important! Something is not right! Please contact me. Thanks, and God bless!
