

Thomas L. Luna

August 7, 2008 - September 26, 2024

Thomas L. Luna, age 16, loving son and brother entered into rest on September 26, 2024, in San Antonio, Texas. Though his time with us was brief, his impact was immeasurable, and his memory will live on in our hearts forever. Thomas was born on August 7, 2008, to loving parents Osbaldo and Vanessa. He was preceded in death by his mother Vanessa L. Santos. He is survived by his father Osbaldo A. Luna, brother Eustorgio Davila III, grandmothers Maria D. Saucedo, Maria De La Cruz Escobedo and great grandmother Tomasa H. Luna along with many other aunts, uncles and cousins.

While his time on earth was short, the impression that he left on his family and friends is everlasting. As a junior at Earl Warren high school, Thomas spent a lot of time doing activities that he enjoyed. Esports was his passion, under the name GOLD he enjoyed his time behind his consoles. He indulged in his favorite cookies and cream ice cream and was inspired to take culinary classes. Thomas also played bass in the orchestra. He was an avid dog and cat lover. His eyes would brighten, and he was filled with joy, while playing with dogs and cats.

Thomas' gentle and loving spirit was a beacon of light in this world, and his presence will be sorely missed.

Rest in peace, our Thomas. Your light will continue to shine in our hearts, and

you will always be remembered with love and admiration. Forever in our hearts, Thomas. You will never be forgotten.

“For whosoever shall call upon the name of the LORD shall be saved”

Romans 10:13

“ I remember Thomas giving me a ride home from school almost everyday and I would just be really surprised that he would be willing to do that. I remember putting up Esports posters around the school with him and we would keep putting them right next to the Library posters. Man, I honestly wish he was here right now. - Emory Derouen

“ I've known Thomas since elementary, didn't have any classes with him for high school but I did see him in the halls and after school for a club he was doing. I remember him always talking about video games and YouTube videos and all his goofy moments throughout all 10 years I've known him, he was so sweet and kind, always had a smile every time I saw him, i'll miss that about him. My condolences and prayers for him family.

“ I will always remember Thomas as the sweetest, most loving and intelligent boy that i met over 10 years ago. My favorite memories will always be the days i would sit on the couch and little Thomas would get nice and cozy next to me and kiss my arms and cheeks. His mom would say "Thomas that's your brother's girlfriend, not yours", But he didn't care and I loved his company. He was such an affectionate and loving child, and that goes to show how much love he received from those around him. I will always remember how bright he was, even from such a young age he spoke with such intelligence and wisdom. He loved to talk about his games and youtube videos. My last memory of Thomas was a couple months ago, I saw him at his brother's graduation and when he stood up to hug me he towered over me. I said "wow you're so tall!" and he said "wow you're so short!" Silly just like I remember. I'll miss you Thomas. I know you're reunited with your mom, probably watching movies, eating sweets and playing games. Rest in peace sweet boy. ❤️

Ozzy and Starky, my heart aches for you. Sending love, thoughts, and prayers to you and your family during this tough time. If there is anything I can do please let me know. 🙏

“ I had Thomas in my Freshman English I class two years ago and since then, he would go out of his way to say "Hi, Ms. Ocampo," everyday. I will greatly miss these small daily interactions with him.

Thomas, you always brought a smile to my face with each hello you gave me.
