“ I hope some of Robert's family sees this. This is your 1st cousin Bob (Bobby) Holland. I didn't know that Robert had passed away until I was doing a search on Ancestry and found this obituary. I haven't seen any of you in a lot of years, but I love all of you, I had a lot of 1st cousins and I'm sorry we didn't have time to spend together after we were grown.

“ We grew up calling Tom (Robert). My husband and I came several times to visit him in Texas. He took around to several missions and caves there. I know he is with Frances and he is at peace now. You will always be in my heart and you will be missed dearly. Love your little sister Olive and John Bayless
