Thomas "Tom" Taylor was born on June 4, 1944 to Harry and Goldie Taylor in Bartlesville, Oklahoma. Tom was the oldest of 4 children. For this brother and two sisters he became their protector and father figure. He gave them love and security. “ Over the past several days since Dolly called me with the news of Tom's passing, my memory bank overflowed. Memories of a life time filled with sharing, laughter, road trips with him, Harry, Betty and Dolly. The memories of long distance all night phone conversations, shared recipes, shared childhood experiences and I could go on forever. One of my most cherished memories was our first family reunion in 1990 in San Anton. There are two pictures of Tom and Harry. The first of them hugging each other at the airport. The second of them walking together and I caught them walking away towards the luggage area, The shot of their backs to me. Those images have resounded to me of how I pictured their reunion in Heaven. With Betty waiting for her brothers to hurry up so she could give Tom her hugs. They are together. But God knows that for the rest us we have to wait our turn. Our work here on earth is not completed.

Treasure the time, lessons, laughter, memories of being with Tom over the years. Remember he was a good, caring, loving man, father, brother, friend and the Best Brother-in-Law ever. When you think of Tom, let the memories good and bad, flow. Let your tears flow, for after all tears are just love with no place to go.

Celebrate his life, enjoy the BBQ. My love to the entire family. Linda Taylor

“ Tom took me and my three babies in, 37 years ago during a crisis, and helped me get back on my feet. We remained friends, and he was always there with understanding and wise advice. He will be greatly missed.
