“ We bought our first home next door to Tillie and Andrew. We became immediate good friends. They shared in our joy when our daughter was born and loved her dearly. Chuckie even babysat her occasionally. When we moved out-of-state because of Arthur's job, they were devastated. From that day on, every time we visited with them, they reminded us that we took THEIR baby away.

Our love and prayers to Andrew, Sr., and the whole family.

*Love,
Arthur and Diana Schulze*

“ *Aunt Tillie,
I will miss your calls and your laugh. I will miss your smile too, but I think I will miss your heart the most. You gave it to everyone freely and you always let me know I was loved. I know I'll see you again and oh what a time we will have. You're enjoying walking with Jesus and I'm glad you have that but, for us, it's just the time in between that will have less beauty and less joy and less sunshine because you're not here. A piece of my heart left with you.*

“ *Tillie was like a mother to me. She was the kindest person I have ever met. She left me with the most wonderful memories. I will always remember everything she taught me, including baking and how to make enchiladas. I feel so blessed to have had her in my life and will carry her in my heart always. My deepest condolences and love to Andrew, Andy Jr., Charles and Cheryl.*

*Love,
Janet*
