“ *My sister Linda was always one who reminded me of our dear sweet mother - loving, kind and caring. I knew her in a more dear way later in my life when I was in difficult times and she always had an open door for me, a delicious meal and a place to stay. Now that she has gone to be with our Lord Jesus Christ I am happy for her that she is with our mom and dad and i look forward to seeing her again. Thank you Linda for your example of a loving caring sister that you are.*

Thank you dear Jesus for Linda. - with you soon. Bobby

“ Missing my beautiful Mother every minute of the day. She always had the biggest smile on her face and loved her family so much. She lived the life she wanted spending time with her family as much as possible. Her trips and vacations were something she never missed from taking her family to Disney in Florida to visiting her son in England. She loved the beach and the water and never missed a trip. Her smile was contagious and when she smiled at you or hugged you with her tight hugs you knew you were loved. She loved her children and her grandchildren very much. Towards the end of her life she never lost her sweet smile and always gave you a fist bump before you left. She is my love, my sweetheart and my T-Bird. She is now in heaven with her Mom and Dad who she always loved and missed dearly.. and she will be greatly missed. 💖
