“ Tina and Moses are praising the LORD in HIS presence. Moses has been gone a little over a year and the shock and grief was heavy. But my help came from the LORD. Talking with the LORD and getting all my questions answered by the LORD GOD Almighty erased

“ As everyone has said Tina was a very special person to so many individuals. I feel like she was more than that, she was an angel sent here by the Lord. She touched the hearts of many. Her work here must have been complete and the Lord has called her home
