“ In his quiet way, he did always look out for us. He cared deeply about us and even after some of us left the job, he wanted to know how everyone was doing, and was so proud of us for succeeding in life, work, and school. You were so hard working, and always greeted me when he saw me walking around. I was so happy to hear that you got your beautiful Lennar home at the same time as I did, and loved hearing how much you and your family enjoyed it. You cared deeply about your family, your friends, your job, and your community. Thanks for all the conversations and laughs you brought us. We will miss you dearly, Tom. May we meet again.

“ My deepest condolences to Tom’s family & friends. May he rest in peace, and may God give his loved one’s strength during this difficult time.

*I know Tom from work at Texas Biomed. Tom was always friendly, and when he had a few minutes to chat he would definitely take advantage of getting to know us. He was the first to refer to me as Mrs. Lopez at work. I just recently had gotten married and everytime we crossed paths in the corridor he would pump me up by saying “Mrsss Lopppezzz” which always brought a smile to my face. I think I can speak for all of us at work that he will be greatly missed.*
