“ Linda, so sorry to hear of Tom's passing. We go back to the 70's, when Tom would get 2 lazy high school and college boys out of bed to go play golf early in the morning, usually with Jim Grant and Mark Aebli. His persistence, competitiveness, and motivation helped me eventually turn professional and play professional golf, have a 25 year career in the PGA of America and raise a beautiful family with 3 successful children and 4 grandchildren. I will forever be indebted to him for this "encouragement". We didn't think about it at the time, but he was molding and mentoring young men for success. Mark also blossomed into a very accomplished, successful professional golfer as well, winner of tournaments worldwide. He had nicknames for all of us, Crunch, the Judge, etc. What a wonderful man.

“ Tom's love of clocks and knowledge of each and every one he added to his collection. He talked my husband, John, into a beautiful grandfather clock. John threatened to make a canoe out of it if it was too noisy. Tom had my back and I own the clock for 40 years. Tom was a caring, sweet man and will be missed. Love, Emily Klauss

“ Tom and I lived one block from each other in High School. We were car guys and were thick as thieves. We ran around together and enjoyed cruising in his beautiful 34 Ford coupe. We hung out at the Bun-N-Barrel, or cruised down Broadway. I was racing on loop 13 one night, with Tom in the shotgun seat and was stopped by the Highway Patrol. They took us home to our parents. We both entered the service after High School and both became 32nd degree Masons. Miss you old friend!!!
