“ We send our love and deepest sympathies to the Castillo family for their loss and we celebrate the life and the memories of one of God’s faithful sons.

Mr. Castillo was a pillar to our family as in times of need we looked to him for prayer and guidance. He was a selfless friend and mentor who showed genuine joy in our growth in Christ and never hesitated to encourage us through life’s trials.

We looked to him when we were faced with some of the most difficult and also some of the most beautiful times in our lives. He counseled Albert and me as we prepared for marriage, sharing his time, knowledge and love of Christ during countless bible studies. Such an impactful teacher! I still hear his voice and words each time I begin a thought, a prayer to Jesus “Father God we come before you...” one could always feel his faith and trust in God when he prayed over you. I am grateful for the many times he shared a prayer over my loved ones! I just always felt such a sense of peace afterward.

He led Albert, me and many others in our family to Christ. He shared in our joy as our family grew and dedicated our babies to God - always there with words of encouragement and healing, never hesitating to share his story, knowing that sometimes the only thing a person needs is to see that everything can and will be alright.

He was a one-of-a-kind and is greatly missed.”

“ One of the greatest men I've ever known. A Godly man, full of compassion, full of grace, full of mercy, always willing to not only talk to somebody about Jesus Christ, but to show them the love of Jesus Christ! What many don't know is my Uncle Tom impacted my life twice. The first time was when he witnessed to the family about Jesus, I eventually surrendered my life to Christ! The second time was when my mother invited me to go hear my uncle preach at Grace Tabernacle Church. I did not want to go originally but I ended up going after all. That was the night that I met my wife Yvette. My life has never been the same since those two incidents! Thank you Uncle Tom for never giving up on the family and for showing us the love and power of Jesus Christ through your life. .
