Tribute Wall

“ My condolences to your family and prayers this sad time. That they will be comforted and loved. My memories I have of her will always be cherished from sleep overs at their house with my best friend Emily and I would get our hair braided during the summer and she had the patience to do both our hair into little tiny braid wish I could find my photos to share on here. Love from the Gomez family your old neighbors

BS

“ RIP My Dear Friend I we forever cherish the memories we shared from my first Softball game when I met you and Santosi from that Day and just sitting on you're porch just talking so I was so lucky for meeting such caring loving trustworthy family. I will miss You but forever in my Heart ❤️
