“ I had no idea Aunt Toni passed away. I did not find out until her sister, my Aunt Hazel passed away. All her siblings Augustine, Paco, Mike, Gloria, Margie, Hazel, Frances have all gone. I remember going over to Aunt Toni's house for new years and listening to my aunts and older cousins talking and my uncles and dad playing cards in another room. One year my uncle Mike showed and everyone wished him happy birthday and happy new year because his birthday was January 1st. My dad spoke of his sister fondly telling me once how pretty she was and that she was good in school...the Gonzales side of the family was big. RIP to Aunt Toni, my dad and their siblings.
