“ I first met Tonie at our Fitness Center aerobics class. She was one of my favorite classmates because she was always positive, funny, and full of great spirits. Whenever I was over by her building, I would stop by to say hi. We were good friends for the past 20 years. I have laughed with her, cried with her, prayed with her. She loved with her whole heart. Her presence on this earth was a light to others. Her friendship was truly a gift.

Good times. By the way, that was "pink lemonade" in the bottle...for the record ;-)

We'll miss you greatly, Tonie.

That was Tonie and friends being my cheerleader and providing support on a new chapter in my life. I will miss sharing my life with Tonie. I was blessed to have known her. I strive to share of myself as she shared unconditionally and unselfishly of herself.

“ I will never forget when I first met Tonie, 26 years ago. I was attending a SwRI Admin Course, and I heard giggling and laughter in the back. I turned around and saw a sparkling light of sunshine and joy. I thought to myself that is someone I want to meet and be friends with. Tonie came up to me after the course to introduce herself as another Div 1 admin. From that point on, I considered her my friend, confident, teacher and the best cheerleader I ever knew. She always had time to listen and give the best advice and encouragement. I learned a lot from Tonie, and I will be forever grateful. She will be greatly missed but Heaven has received a beautiful soul.

“ *Tonie was my best friend for more than 30 years despite our 30 year age difference. She was my mentor at SwRI and more than that, my friend. I think I said all I wanted to say at her retirement ceremony, in particular, the very last part. It gives me great solace to know that she knew exactly how I felt about her, what she meant to me and how much I loved her. She was always a ray of sunshine and a constant burst of energy. I've never met someone who would walk as fast as me...she gave me a run for my money! She was always my cheerleader. I miss her dearly. Rico, Marie, Rick, Johnny, Ruben, Roy - I feel you are like family as Tonie and I shared so, so many of our family events together - the good and the bad. I can't comprehend that she is gone. Though she will continue to live in my heart. May God help us all as we grieve, and to one day very soon, help us replace this sadness and heartache we feel with joy and laughter every time we think of her.*

I miss you, Tonie.

“ *I am very grateful for Tonie being my friend. Unbounded energy and an undeniable enthusiasm in helping others, that's how I can best describe Tonie. Often sharing stories of her grandchildren's adventures or Rico's driving too slow, it was clear she was fiercely proud of her family. I know she was also very protective of friends, cautioning us to avoid stupid decisions or actions. Her driving skills were best suited to NASCAR and she was always up for scaring the heck out of Mike (boss) when he bummed rides.*

*She will be missed

“ *Tonie was one of the sweetest, kindest, most gregarious individuals I have ever known.*

I had the pleasure of working with her for over 20 years and in all that time she was never in a bad mood and if she was, she never showed it. What I will remember most about this wonderful lady is her laugh. She always laughed with such a genuine spirit. It always put me in a good mood hearing her chuckle at one of my dumb jokes or comment I would make.

I and the world will miss her effervescent personality. Rest in peace, Tonie....you have earned it.
