“ *Beloved Family,*

Our hearts are heavy and our eyes are full of tears. A great love in our lives has been called home to our Father in heaven for our Tony was love itself.

Tia Amparo's family and ours, Albert R. Sr. & Olivia S. Seguin, have spent many special moments together. Our families were brought together by our great grandfather and Tia Amparo's mother. We were also blessed with our Tia Amaro's brother, Tio Tiny and Tia Sara.

Tio Candido was our favorite ice cream man. Every summer he filled our outdoor freezer with ice cream sandwiches, fudge & strawberry sundaes and the best cherry frozen bullet popsicles. These were my favorite.

Tia Amparo blessed us with school supplies at the end of every summer.

Tio Candido was also great fixing lawn equipment and he kept our push mower going for years. It was because of him we were able to obtain our first riding mower.

My Daddy, a great man himself, never let a good deed go unpaid but he always got the "special discount" when it came services rendered by this awesome family.

My favorite memories with Tony and the members of the family was definitely dove hunting season. There they'd come loaded in a suburban with all the appropriate hunting gear and dress. We couldn't wait to hear the shots go off and the odd smell of empty shells. Sometimes my cousin Lupe would come along and we got to share special time with her at my Buelita's home just next door. Tio Tony always let us play around the area where the hunting was going on and all our cousins, especially Tony, took good care of us

that we would not be harmed in the madness of gun fire. It was so great for us. Once the bullet shells cooled off, we were allowed to gather them and use them as lincoln logs, home style, of course.

We ALL miss those days, just as we ALL miss the ones who have gone home before us and Tony will be greatly missed by many.

To have known and had Tony in this life was to know and have Love.

One by one our Father calls us home and we'll be with our eternal family one day.

The most difficult for me will ALWAYS be the wait to see those I cherish & love.

“ *Our prayers and condolences for Tony's passing to his loving wife, Lupe, and all his extended family and friends -- including the La Salle alumni, who always looked forward to his presence at our monthly breakfasts. Tony is remembered as a great athlete, a kind father, and a doting grandfather and great-grandfather. He was also a friend to all those around him. Ruby taught his children and grandchildren, and Tony was the one who tracked me down and got me involved with the La Salle alumni. He was, to put it simply, a good man.*

“ *Daddy I am going to miss you you were the light of my life.. you were the first man that came into my life and showed me love Respect and how a woman should be treated.. I will Always remember the advice you gave me and All the football games we watched together. Even though our teams were not the same we still had a lot in common to talk about.. You gave me hell about the cowboys as you stated cowgirls.. All the dances we shared when you would come home and tell me daddy's home... I would dance on your feet. Well daddy you really are now home. I will love and miss you each and every single day. I will never forget you. You were my night in shining armor you did everything for me and my family. Thank you for everything you did for us. In your loving memory I have now turned from a cowboys fan to a San Francisco 49 ers fan in legacy of you my daddy.*

“ *My sincere condolences to Tessie and the Garcia family. I have great memories of Mr. Garcia. I used to love and shoot the shit with him in his front yard and talk about everything under the sun. I do believe we solved all the world's problems at one point or another. He used to make me laugh with his sharp wit and I do believe I made him laugh a few times. Mr Garcia, Tony, I miss our conversations. Farewell, until we meet again.*
