

Tony B. Walker

August 12, 1951 - October 23, 2025

Tony B. Walker, age 74, went to be with the Lord on October 23, 2025, surrounded by loved ones in the comfort of his home in Lytle, Texas.

Born on August 12, 1951, in Corpus Christi, Texas, Tony lived a life defined by love, faith, and service. For 32 years, he was a valued employee of Mission Park Funeral Chapels, where his compassion and dedication touched countless lives. Tony truly loved helping others.

He was preceded in death by his father, Harold B. Walker; his mother, Valona D. Pollard-Walker; his sisters, Dedra Martin and Lavena Halliburton; and his brother, Michael Walker.

Tony is survived by his beloved wife of 53 years, Elaine Walker; his children, Heather and JJ Zamora, Shane Walker, Josh and Dawn Walker, and Tonette Walker; his brother, Rick Walker, and sister-in-law, Phyllis Walker; and his cherished grandchildren: Paige, Preslie, Marley, Isabella, Ian, Juliana, Levi, Lexi, Camille, Kensley, and Liam.

Tony loved playing the guitar, singing, and sharing the word of Jesus with everyone—always with Elaine by his side since the age of 21. He recognized God's gifts in others and continually encouraged and uplifted those around him. His heart belonged to Jesus, Family, and Church.

He enjoyed his black coffee—perhaps a little too much—and never tired of hearing his favorite songs, time and again. Some of his greatest joys were teaching his grandchildren how to ride a bike, taking them on tractor rides, playing checkers and other games, and showing them how to pull off the

perfect prank.

Tony was a strong man of faith who loved his wife, his family, and his Lord with all his heart. He was often the last to leave the church and the first to offer an encouraging word and a big hug.

Tony will always be loved deeply, missed greatly, and forever celebrated.

“ *Tony was a great person along with Elaine. His heart truly was with the man upstairs and is now enjoying his presence. Condolences to the family. He was an absolute kind soul. Now he'll be able to pick and sing with my dad.*

“ A great memory was our second meeting at my father's graveside with another special friend when we all felt Heaven so close it was tissue paper thin away, we could feel it, and it seemed if we lifted a finger we could touch Heaven. The power shook us all to our core and God confirmed to me this was not just emotional. Tony was excited about the construction of the mausoleum and insisted we climb through the work space to the newly opened section. It was Feb 23 1997, my father's birthday, and there were few niches with urns. I walked up to one cubby and the man's birthday was Feb 23 and I say something like "I will take that was a confirmation I am not just emotional about being here and that was a Heavenly experience" as my father had been gone less than a year. I turned to the wife's cubby space which only had her birthday because she was still alive and it was MY birthday date. We all smiled and praised God for His goodness and confirmation of the experience we had together. You don't forget these moments. The next time we met was in 2000 when I moved to SA and he wanted me to meet Elaine. That was a great memory we made first meeting at Salt Grass Restaurant. After that we worshipped together and have been blessed to visit their home which is always a precious time. Tony would be so excited to see what God had in store for all of us. His beautiful family is a great legacy. Let us all help Elaine carry this grief in prayer and service to her. I am sure Tony is already planning to see us soon.

“ Tony, I am hearing your joyful laughter ... one of my favorite memories of you as you feel the presence of God while you engage with another person. Jesus is the the center and Lord of all -- YOU ARE His willing ambassador to uplift in love and lead His children to Him.

We have shared so many WONDERFUL experiences in the fellowship of true life, embraced with loving security and deep sense of purpose, as we hear the Father's heart toward us. You always presented how precious our lives are in His Kingdom. Thank you. I have loved doing this journey with you and your beloved Elaine. Yes, to be continued!
Love you, Patte Bell
