Tracey Marie Warrell

September 15, 1960 - December 28, 2016

Tracey "Marie" was born in Longview, Texas into a family that moved a lot. She was the youngest of four children, and of course was the baby of the family. She started school in Austin and continued in San Antonio, Dallas and graduated high School at Clear Lake in the Houston area. She started college in Houston and continued in Tulsa, Oklahoma, San Antonio, Baltimore, Maryland, and graduating in Kansas City.

In 1983, the family decided to make San Antonio their permanent home. Not always easy to decide on one place when you have a job with an airlines. Being from an airline family, it was no wonder that Tracey became a travel agent.

She also had just started a new job with Harland-Clarke. This job was help with future travel plans!

She was preceded in death by our beloved parents Carl and Pat Warrell. She is survived by two sisters, Susan Weekley and Kathy Shockley and one brother, Kelly Warrell and his wife Kathleen.

And very close to her heart, her nieces and nephews, Stacy and Gary Stubblefield, their four kids, John, Michael, Heather and Josh and Tony and their six children, Chris and James Chopik and their daughter Morgan, John Weekley and his kids, Isabella Ian, Mike Weekley, Stephen Warrell, Kristina

and Brian Kinner and their kids, Sydney, Logan and Camden, Jennifer and Jason Crawford.

Tracey did not like funerals! So to honor her wishes, we will throw her a "Wake" – A Celebration of Tracey Marie's Life at the Clubhouse at Canyon Creek Village Condominiums at 17221 Blanco Rd. on Tuesday, January 17, 2017 at 6:30 PM..

The family request no flowers. Instead donations to the 100 Club in honor of "Tracey Marie" Warrell at www.100clubSA.org or by mail to 100 Club, PO Box 6741, San Antonio Texas 78209.
