July 18, 1958 - July 4, 2025

Tressey Lue Huron went to be with the Lord on July 4, 2025, at the age of 66, surrounded by her loving family. She was born on July 18, 1958, in Charleston, West Virginia, to Charles T. Hudson and Zelma Thompson. Tressey proudly served her country in the United States Air Force, retiring after 20 years of honorable service as a Technical Sergeant. During her military career, she earned multiple awards and commendations, a testament to her dedication, strength, and integrity. She also worked for the Federal Aviation Administration before her disability retirement.

She is survived by her devoted husband of 35 years, Juan A. Huron Jr.; her loving child, Eloisa "Ellie," and son-in-law, Juan De La Garza Jr.; her cherished grandchildren, Austin and Lorissa Byrom, Kristen De La Garza, and Dylan and Tawnie Arevalos De La Garza; and her treasured great-grandchildren, Jaylin Byrom, Austin Byrom, Wyatt Byrom, and Grey De La Garza. She is also remembered by numerous extended family members and lifelong friends.

Tressey had a deep love for the outdoors, especially during her time in Alaska, where she formed many meaningful and lasting friendships. Some of her happiest moments were spent in Alaska having breakfast by the lake with Juan, casting a line into the water and enjoying the peace of a quiet morning together.

Funeral services will be held at Mission Burial Park South on Friday, July 25, 2025, at 10:00 a.m., with visitation beginning at 9:00 a.m. Military honors will be rendered at the start of the service.

“ *Tracie wasn't just a friend—she was a chosen sister, the kind of soul who would give you the shirt off her back without hesitation, all while quietly carrying invisible pain that she never let define her. She embraced her Alaska family as if we were bound by blood, and when they left for Texas, their absence was deeply felt. Then a couple of summers ago they came home to spend much needed time with the family in a great time of need. It was as if not a single day had passed. That's how you know true friends—they are there when you need them, when the love is unconditional, the connection effortless, and you're always free to be your full self. Through the years in Alaska, we made memories that will never fade—vacationing together beyond Alaska's borders with Tracie always at the helm. She was the planner, the director, the one who arranged every detail so the rest of us could simply relax and enjoy. Flights, hotels, excursions, food—she handled it all. When we were back home in Alaska, it was the same—whether we were Fishing, Hunting, Camping, Snow machining or Four-wheeling, all we had to do was show up and be ready to have fun. Tracie made sure of it. She brought joy, loyalty, and light into every space she entered, and she will be missed more than words can ever express. I count myself incredibly lucky that she married Juan and became such a beautiful part of our Alaska family. Her spirit, her love, and her laughter will live on with us—forever and ever.*

“ Tressey was so kind to me. They stayed with us in our home in Dallas. We bonded. She confided many things to me privately. We stayed with them as well in Adkins. I have very fond memories of our times together. She was way too generous with gifts to everyone. Two weeks before she passed we were visiting and she was determined on making us carne asada breakfast tacos. We tried to talk her out of it but she insisted. So Sylvia and I got in there to help her. She kept asking why we insisted on helping her. Needless to say, her tacos were the best I ever had. I will miss her a lot. She suffered so much and now she is in heaven with our sweet Jesus in perfect health.
