“ RIP Troy, you were a joy to know and to coach and a great example of what a Royal is and should be. Play as hard on the Lord's team as you did as a Royal.

“ Troy and I graduated from St. Margaret Mary. In the summer of those years we would hang out spending our time at McCreless mall, riding bikes, or bowling. After middle school I didn't see much of him and we lost contact. Last year we were able to reconnect. We had tried to make plans to get together but that didn't happen. I was grateful to have had some last contact with Troy. I loved the words his director said about the person Troy was. That was the Troy I knew and loved. I know that Troy continues to do God's work in heaven just by being Troy. Looking forward to seeing you again my brother! If I'm lucky 💙
