“ I remember her getting on us for using too much toilet paper and she always made Sharon and me do dishes. Usually right after we had just finished gluing on our fake nails. Mostly I remember how at home she made me feel whenever I spent the night with my BFF Sharon. I'll never forget how sweet she and Rusty were to me. They will both remain in my best memories and in my heart. You're all in our prayers. From Susie and family

“ I have known you and your family all my life. Lived across from the Hunt's on Billy Sam's when I was a little girl. I know you will be missed here on earth, my prayers are with your family in this time as you take flight with your Angel wings to join your Heavenly family.

“ *Momma, There are no words to describe how much I miss you already and our daily conversations. I smile when I think of you, knowing you are in Heaven with Daddy and our other loved ones. I look forward to the day we are all reunited. You may be out of my sight, but you will always be in my heart.*
Love, Sharon
