“ Let me start out by saying that I am sorry to hear about your loss of such a great man. I remember having him as one of my two drill instructors from basic training at Lackland Air Force base back in 1981. He was a tough but fair instructor as I'm sure that anyone who knew him knows this. I still recall the fear the he instilled in some of the more rowdy enlistees. He played the good cop in the good cop bad cop routine, but you still respected the man for doing his job. I just wanted to say, thanks to this man my life was changed for the better. Thank you tech sgt Stintsman, I will never forget you!

“ I know this is really late, but I just found out he passed away. I found an old picture he gave me from 1974, and looked him up to see if he was still in Texas. I'm so sorry for his family's loss. I met him when I was in basic training at Lackland AF base. We hit it off, after learning we both were from California. He was such a wonderful person. I really enjoyed meeting and knowing him. I know he will be greatly missed. Condolences to his family. 🙏❤️
