“ Tum as I affectionately called her many many times- started as a coworker but soon became a sister/friend to me. We shared soo many memories, life events, meals, church & school events with our families. However, most importantly & forever cherished was the love we shared for God & his children. Tum was to me the closest earthly reminder of Gods grace & love. I never ever in all the years I’ve known her did I ever see her treat anyone indifferently. She helped others wholeheartedly. When I myself was in my fighting/healing season with Cancer myself. She sent me daily prayers, bible encouraging verses. She was my number one supporter. I miss my friend dearly. However, Gods promise & mercy heals my broken sad heart & allows me to hope that I will see my beautiful Tum on that glorious day! I will once again hear her beautiful laughter, get her tight hugs & see her contagious smile once again. Love you Tum. To her beautiful family. My love, prayers & thoughts are with you. Sending you all love from Wichita, Kansas. Love-Wendy Mejía & family. 🙏❤️
