

Tyler Liddell Norris

July 16, 1992 - April 30, 2020

Tyler Liddell Norris went to be with the Lord on April 30, 2020 at the age of 27. Tyler was the greatest man, son, brother, and husband, who was kind, hilarious, generous and had a heart of gold. Tyler loved deeply and was deeply loved by all that knew him. Tyler was born on July 16, 1992 in San Antonio, Texas, where he was also raised. Tyler graduated in 2010 from Warren High School. He was a member of the Warren High School Choir and participated in numerous ensembles. Never one to be shy, Tyler enjoyed performances at school, competition and around the city. Tyler was also chosen to participate in the all-district choir among other achievements. His love of performing was highlighted in the high school production of Bye Bye Birdie, where Tyler was cast as second male lead. His passion for singing also led him to audition for American Idol.

After high school Tyler attended Schreiner University in Kerrville where he met the love of his life Paige. After Tyler returned to San Antonio, he enjoyed working at Domino's and later moved into the auto insurance industry as a claims adjuster. In 2016, Tyler and Paige were married and began a wonderful life together. Tyler worked at Fred Loya Insurance, USAA, and finally ACCC; where he shared many fond memories with his coworkers as he continued his professional development.

Tyler is preceded in death by his "Papa" Doyle Wayne Binggeli. He is survived by his wife Paige Norris, father and step-mother Larry Dale and Donna Norris, mother and step-father Kelli and Mark Waltz, sister Sydney Norris, his

grandparents Jo Ann and Marshall Fairbanks, Mary Bingelli, Charlie and Suzy Flesch, parents-in-law Jesse and Gail Locker, and many members of extended family and a host of friends.

A Memorial Service for Tyler will be held at a later date. In lieu of flowers please donate to the San Antonio Humane Society in Tyler's name to honor his beloved dog, Zeus.

“ I had the pleasure of working with Tyler at USAA he was always so kind and ready to help anyone who needed it. I also had the pleasure of working with him at ACCC Insurance where we didn't have much time to interact since he was upstairs and I was downstairs. But anytime I would see him, he always had a smile on his face, always said hi and always seemed to be in a good mood. He will be miss by all of us at ACCC. May he rest in peace until we see each other again.

“ I only knew Tyler a very short time unfortunately. But in that short amount of time he showed him self to be an extremely good person with a heart of gold. His nickname around the office was Sunchine (sunshine), and he was nothing short of that. He was always quick to offer help or guidance, and he was always good at adding levity at work by cracking jokes or saying funny movie/TV quotes. He became my work buddy and together we were known as T2 or T squared, and people always called us each others names which we found hilarious. I'm severely saddened that I didn't get to know him longer because in that short amount of time he showed just how amazing of a human he was, and I truly miss him every day. My heart goes out to his family. RIP good buddy.

“ I had the pleasure of working with Tyler. He was a selfless human. He always had a positive attitude no matter the circumstance. He was a good soul. It will be hard going back to work without seeing him every day getting the Team riled up talking about football and hearing about his fishing adventures. You will be missed Tyler, but never forgotten.

“ Tyler you are one of the most amazing people I have ever had the honor to know.

I remember when you were born, I remember your Mom making plans and preparations to ensure everything was perfect for your arrival. We shopped, we prepared every little detail from clothes, to diapers to even a plane backpack. What a sweet time that was.

I remember watching pure talent in high school when you preformed in a play as one of the leads. I remember watching you at church in the youth group. You always became a leader in whatever group you were in, or whatever you were doing. People always seemed to gravitate towards you, you just had that kind of personality that drew everyone in. I remember the day you were baptized and how I felt that the Lord had been already using your gift to be a light of joy in this world for a very long time. I remember many a family game nights, Family Christmas pajama party nights, beach trips, and gatherings with your Mom and Sydney. Those were nights of laughter and great fun. Friends became Family and I love each and every memory we have.

I also remember as you grew into a young man what an amazing young man you became. You loved your Momma and Sister and was always there for them. Your Mom worked so very hard to provide and care for you and Sydney. You were always there, bringing the joy on the toughest of days. I saw how special your bond was with your Mom and how love was so present in that relationship. I will love your Mom through this, I promise.

I know you believed in Christ as your Personal Lord and Savior, and I know you are alive and well in a better place today, fully restored no more illness. I feel that you would tell us to keep the light alive, to go into this world and seek joy, to live life to it's fullest and to remember family and friends. My heart is broken because you are gone, but I know this is a temporary home and we will see you soon again. I love you Tyler, thank you for being such a positive powerful

amazing force of joy! Love, Robin Todd

I would be remiss if I did not share one more, in fact one of my most favorite memories. I remember the day you were married. I don't know if I have ever seen a more happy man in my life. Paige changed you in such a beautiful way. She was the one who filled your soul and it was amazing to watch. I remember the day you exchanged your wedding vows. Your smile, well let's just say it was the sweetest moment. I remember watching your Mom that day, my dear friend, and how happy she was to see you so happy. My prayers and daily thoughts have been with you Paige. You are so loved and our thoughts and prayers continue.

“ I'm grateful we met at Fernandez and stayed friends ever since. Growing up together was full of laughs and new experiences. I remember off campus lunches in your truck during Senior Year in high school were so much fun, we all laughed so much. It's still hard to believe you're not here. I imagined we'd all get old together and be those guys to swap stories of the good ol days lol. I'm honored to have been friends with you for so many years. “ Tyler, I really believed that you were going to get better. I was shocked and heartbroken to hear the news of you passing. Even though we weren't close in high school it has hit me hard that you are gone. I love my memories that I have with you from choir, prom and playing laser tag all night after prom.

To Kelli and Paige and the rest of his family- I'm so sorry that you have to live life without him physically here, but I know that he will live on in your hearts and in the hearts of everyone that loved and cared for him.
