

## Valeria Freda Hubble

June 30, 1925 - April 5, 2018

Valeria Freda Jenschke Hubble passed from this earth on April 5, 2018. She was born in Bandera, TX to Christian John Jenschke and Emma Thakla Kunz Jenschke. She grew up on her parents' farm, but her mother said to Valeria that she knew she would never be a farmer's wife. So after graduating from Bandera High School, they sent Valeria to San Antonio to join her sisters, Adela and Monica. Valeria ultimately went to Durham Business College where she learned to type and the basics of bookkeeping. She worked for the San Antonio Drug Company and that is where she met the love of her life, Jack Arlen Hubble. They married at the Church of the Shrine of the Little Flower in 1949. Valeria and Jack had 4 children. While raising her children, Valeria worked full time for USAA, retiring as an account manager after 27 years. She then went to work in her daughter's dental office, managing accounts, paying bills, and doing payroll for 28 years. She was 86 when she retired from the dental office!!! She was affectionately known by the staff as "Momma Hubble" and helped train them in accounting!!!

She was a beloved grandmother as well, and helped the little ones to learn how to pitch and hit baseballs!!! She helped dad make deer sausage, which he then cured out in the back yard!!! And she made her and her daughter's clothes those first years of early marriage!!! Thanksgiving and Easter and Christmas were big celebrations in the Hubble household, with baking, turkeys roasted, homemade dressing and family gathered round. All 4 children knew how to balance a checking account!!! Valeria was the primary caregiver to her

older sister, Adela Jenschke, and set an example for the rest of us in this matter. She had vocal opinions about city, state, and national politics. When John F. Kennedy toured San Antonio, before he died, Valeria was on Broadway as he passed by the Old USAA building, and said she could have reached out and touched him. She was very proud that 6 of her 7 brothers served in WWII, and grateful that all made it back to the US alive!!!

Valeria is pre-deceased by her husband, Jack Arlen Hubble, and her parents, Christian and Emma Jenschke, and her seven brothers, Erwin, Leonard, Werner, Raymond, Pete, Gilbert, Edgar Jenschke, and two of her sisters, Adela Jenschke, and Monica Jenschke Aschbacher. She is survived by her sister, Patricia Jenschke Jurena, and her 4 children, Dr. Cheryl Hubble, David Hubble and his wife, Sunnye, Darryl Hubble, Dwane Hubble and his wife Melissa. She is also survived by 8 grandchildren, and 3 great grand children, and numerous nieces and nephews.

The family would like to thank her caregivers, Mary Mills and JoAnn, from AA Care Services, and also the staff at Kindred Hospice. And very special thanks to her oldest grandchild, Stephanie Hubble Sikes, for the care she gave her grandmother in the hospital, staying with her non-stop for the first 2 ½ days that Valeria was in the hospital.

Services are April 26 at Holy Spirit Catholic Church, Blanco Rd. Rosary at 9:30am, funeral Mass at 10:00am, interment at Ft. Sam Houston, reception following at the home of Dr. Cheryl Hubble.
