“ Mrs. Velma worked for me more than a year and we both shared our cancer memories. We both have fought it once and got to celebrate it together. We will always have lunch together. She had excellent customer services and I will always receive feedback from customers of how Mrs. Velma was a great worker. I had a lot of great memories and laughs with her. I will miss her.

“ My sister Lana was Ms Velmas best friend & co-worker. She always shared with me a story of her Velmas moment. I just had to meet this special person. And our first time meeting was the best & priceless. IT was truly a blessing to have had the chance to be her friend. We shared the love for rooster or as she said “cocks”. Ms Velma your smile was contagious, your love for my sister was beautiful & your will to never stop working was encouraging. Love you Ms Jackson & you will be missed.

Me Velma was the one who helped train me when I started at Valero. She was always willing to listen and she made us all laugh. She was happy for me when I was moving to Michigan to get married and often commented on my FB posts from here. Her spirit and tenacity for living will be with me always. God bless your family my prayers are with you all. She is resting now.
