“ *My deepest condolences to the family and friends. I only knew Velma as "Tia" she always had a smile on her face. I only knew Tia for a short time, but she had a way about her that made me feel like I was family. There wasn't nothing that she would ask for that I wouldn't do and she was always there when I needed her. She will always be with me in my heart and mind. I remember how she would say "stay home don't go nowhere" which meant to me that she cared. 🙏 In Jesus name I pray for Tia and her family and friends. From the Martinez family.*
