“ Mom..I already miss seeing your face when it would pop up on my phone everytime you would call and hearing your voice when you would say, “Rosie” I will always miss your sweet spirit mom. I am thankful for the memories I have with you and will always cherish them. You will be in my heart forever and in some of the things I do that remind me of you.

It brings me peace knowing your with our Lord and reunited with Dad again.

Love you mom

“ When I was little and my parents left me with grandma and grandpa I can remember Grandma singing lullabies to me at bedtime. There is one I remember in particular, “Over in the meadow, the little birdy sings ...” I loved that song so much that I sang it to my children at bedtime and now I sing it to my grandson.

I reminded her of that a few weeks ago, and when I sang it to her she smiled wide and said that she remembered. Well grandma...I'll always remember and I'll think of you every time I sing it to my grandchildren and some day great grandchildren.

I love you and miss you!

“ I will never forget the time I called my grandmother and she could tell I was stressing. She told me to "just let it be" and pray to God and everything would find its way. I will always carry her advice with me throughout my life. Grama, I love you forever and I will miss you everyday. Thank you for showing me the greatest example of a strong woman who never gives up. ❤️💖

“ Jim Hernandez, son

I thank God for giving me such a sweet loving woman to be my mom. She was the best mom ever! I have so many fond memories but I will share one for now.

I loved Mom's cooking! She would make us some delicious chorizo beans along with her homemade flour tortillas...it was like eating T-bone steak to me and to this day I crave her home cooking.

Love you Mom. I will always cherish the memories of you and Dad.
