“ Cyndea, Rodger, and family,

Our thoughts and prayers are with you. We have so many fond memories of your parents and their hospitality. You couldn't be around Harvey very long before you were laughing either about a hunting story, church activity or his garden. We would soon be sitting at the kitchen table with coffee and cookies, which Vera continued to make after her stroke, with just one arm or by instructing Harvey. Some women follow entertainment celebrities, but it was fun to see that Vera was a real Spurs fan. For many years she kept up with the details of the lives of the players and their families. Harvey & Vera were a couple that just "clicked" together and their love was evident in the way they took care of each other, especially after Vera's stroke.

We are unable to attend serves but wanted you to know we have these wonderful memories. Your parents will be missed.

“ Roger and Cindy, It saddens me to hear about your mom's passing. Although we have drifted apart the past many years, I always remember her smile. I'm sure she is content being with Uncle Harvey.

I will be unable to attend the services as my son from San Francisco will be arriving on Thursday night, and my son and his family from Houston will be here as well.

Please know that I am thinking about you both and praying that the memories will carry you though at this difficult time.
