

## Verl I. Green

October 19, 2017 - November 16, 2017

Verl, age 92, and his twin brother were born at home to loving parents, Harry and Marguerite in DeNova, Colorado. He and his four siblings grew up working hard on their family's homestead in this rural farming and ranching community during the Great Depression. He then received his Master's Degree in Education at Colorado State College and began teaching all 12 grades in a one room schoolhouse until he accepted a teaching position in Cheyenne, Wyoming. As members of the choir in the Presbyterian Church, Verl met his wife of 58 years, Doris E. Green, also a school teacher. Verl accepted a 28 year Civil Service position with the Air Force which took them to Mississippi, Colorado, and Texas as they were blessed with two children along the way. After retirement, Verl ventured forth into self-employment, working in the Insurance field. He also continued his life-long love for animals and the outdoors. Verl passionately enjoyed serving others, physical fitness, stamp collecting, saving the environment, mowing everyone's grass, and all dogs. Verl and his wife have been members of Coker United Methodist Church for 28 years. Verl is now together in Our Lord's Heavenly Mansion with his parents Harry and Marguerite, his sister Doris and her husband Walter, brother Lyle, brother Harry and his wife Margie, along with three nephews and one niece. Those of us waiting to join Verl in Heaven are his Beloved wife Doris E., daughter Sue, son Lawrence, three grandchildren, three great grandchildren, his twin brother Byrl and his wife Geri, his sister in law Mary Lou, brother in law Kenneth, aunts, uncles, nieces, nephews, and the rest of

our family, as well as all of his wonderful friends and neighbors. We would like to Thank the entire staff at Huebner Creek Health & Rehabilitation Center for their magnificent and loving care. We are eternally grateful
