“ *The world has lost a great musician. He was my mintor and my best friend for many years. He treated me like i was one of his own even though i was just a nephew. We played music together for many years. We worked together and ran together. He has now gone home to see RosyIn. They will be together again in heaven. I loved him so much the pain will never go away. To Ryan Kevin and Leahann may god grant you peace and comfort. I will always love you guys. We are still family.*

“ *Heaven is getting a great man, and mom is getting the love of her life back. Verlin and Roz took me in during troubled times and accepted me and treated me as one of their own. I will be forever grateful to them. I loved them like family and they made me feel like family. Verlin was a great man, worked hard to provide for us. I always enjoyed going out and listening to him sing with the band, and really enjoyed his stories. Rest well DAD. See you again when I come home.*

“ *All the memorable times together with family at Christmas and the 4th of July parades will stay with me and mom forever. The time we spent together in our home will be in our hearts forever. The babies had so much fun in yard on the trampoline and swing set and sprinklers with Curly. He has been loved so much more than words can say. The times we spent with Kevin and Andrea and other family members at Las Barcas and Clear Spings will remain in my heart forever. Condolences to all who have been touched by this very special man*
