“ I first met Vern 48 years ago when he came to the Austin Dictaphone branch office to train a newly hired sales and service rep. Six years later, we were together as co-district managers in San Antonio for 14 years. I can't remember ever having a cross word between us. Never have I known a more good natured man with strong moral character and a great sense of humor. Vern was a role model for all of us. Knowing and working with Vern was a honor as he helped me success both in business and life. My condolences to Dale and Jay and their families as they mourn his passing. Randy and Lynn Edwards
