

Vernon James Dickson

February 9, 1968 - October 17, 2025

Vernon James Dickson, of San Antonio, passed away on October 17, 2025, at the age of 57. A devoted father, proud grandfather, and loyal friend, Vernon leaves behind a legacy of quiet strength, steady hands, and a big heart.

Born on February 9, 1968, Vernon spent his life in Texas working as a parts guy, someone who could always find exactly what was needed, and never hesitated to lend a hand to those around him. Known for his friendliness and jokes, he built a long career doing what he loved most.

Outside of work, Vernon found joy in building model cars, a hobby that reflected his attention to detail and love for craftsmanship. He took pride in creating something from nothing, one careful piece at a time. He was also passionate about food and trying new places to eat. Vernon was a father above all else. He is preceded in death by his father, James Dickson, his mother, Sue Fisher Dickson, and his sister, Linda Dickson Akin. He is survived by his children, Natalie, Eleanor (Husband Garrett) and Nicholas, his 4 beloved grandchildren who brought him immense pride and joy, niece, Blaikly, and cousin, Donnie. He and Holly Morris shared family and remained friends as they raised their children and now grandchildren. Those who knew Vernon will remember his loud presence, dry sense of humor, and the way he always showed up when it mattered. Whether you needed a part, a helping hand, or just someone to sit with in silence he was there. He will be deeply missed and

lovingly remembered by all who had the privilege to know him.

“ *I had the good fortune to know and work with Vern for many years. He was one of the best you could want as a co worker. He had a gift to relate to people of all kinds. It is sad he left the physical world so young, but comforting he is at peace. My deepest sympathy to his children, grandchildren and all that knew him.*
