“ It is with great sorrow that we give our condolences to the family. I knew Mr. Flores all my life and grew up with Rosemary and the family there on Shady Rill. Mr. Flores was a wonderful man and will truly be missed. I am blessed to have known him.

“ *Deepest condolences for the loss of a beautiful friend. My husband worked with Vincent at FF station #8. We met Vincent and his lovely wife Carmen.*

They were very nice with and made us feel like family. When my husband became engineer he went to FF station #10. My husband had an accident while working at a fire and was injured. Dear Vincent would call and inquire about how my husband was doing. It has been almost a year since he called and told me he was going thru some health issues of his own. He was always so caring and would send his prayers and thoughts. Now we are sending our prayers and thoughts to Vincent and his family. May God give all of you strength at this time of sorrow. We have been blessed to have known him. May you rest in peace brave man.

*prayers,
Isabel & Robert Jacinto*
