“ *I met Vicki while working at Von's Paper Garden . She and I worked with San Antonio rubber stampers. We traveled to California to attend a rubber stamp convention to learn more so we could share more. I last saw Vicki at the Majestic Theater where she and Darla were ushering. She was a real hard worker and I enjoyed our friendship. Darla my heart goes out to you and your family.*

“ Vicki and I were work colleagues at EY and I will forever be grateful for her being a mentor and friend. There was no one more generous than Vicki never forgetting my birthday. She drove to Houston from San Antonio for the day to be at our wedding and that touched me and my husband, Joseph, deeply! She was a tough cookie, head strong yet so humble and loving. I am devastated for you, her family, knowing how deeply she loved each of you!! My continued prayers for all of you.

“ I met Vicki through the Professional Tour Guide Association of San Antonio. She, Darla, and I were a part of the same study group together. Vicki was always prepared. We learned about the history of San Antonio together. After we were certified, she and Darla could always be counted upon. Always present and very knowledgeable, Vicki had the answers. I am praying for Darla and the rest of the family. Such a loss!
