June 12, 1946 - April 17, 2020

Vicki Dian Redwine Wade peacefully passed away on the evening of April 17, 2020 surrounded by her family. Vicki was 73 years old and a longtime resident of San Antonio. She was a graduate of Alamo Heights High School and attended Hardin Simmons University in Abilene Texas prior to her marriage to Ernest Ray Wade a pilot in the United States Air Force. Together they spent over 20 years serving our nation and raising their two daughters. Ray passed away in 2005 leaving Vicki widowed until 2016 when she met and married her second husband, Gary Payne, bringing her great joy in her last few years.

Vicki was involved in many charitable service organizations to include various Officer Wives (Spouses) Clubs, The Order of the Eastern Star, adult leader with scouting organizations and an active member of The Church of Jesus Christ of Latter Day Saints where she served as a temple worker in the San Antonio Temple. Vicki was an active quilter blessing her family with beautiful quilts that are cherished family heirlooms.

Vicki loved her horses, cattle, the outdoors and big family gatherings. She could often be found on her tractor or in her quilt room. She was always up to host an event and made sure everyone felt welcomed and special. Her loving touch on holidays will be deeply missed by all. Her grandchildren in particular were her greatest joy and that included many of Gary's grandchildren that she was blessed to know as well.

Vicki is preceded in death by her parents Billye Kirk Redwine and Wanda Gayle (Peggy) Utley Redwine of Shavano Park, San Antonio, Texas, her husband Ernest Ray Wade of San Antonio, Texas, her second husband Gary E. Payne of San Antonio, Texas and her great-granddaughters Sophie Noel Stephens of Austin Texas. There was a grand reunion that Friday night in heaven.
